## **4C Controls Participates in IDEX Exhibition (Abu Dhabi UAE), One of the World's Leading Defense Trade Shows**

February 17, 2009,

4C Controls Inc., (OTCBB: FOUR.OB) today announced that it will be participating in the 9th International Defense Exhibition & Conference (IDEX 2009) to be held in Abu Dhabi, February 22-26, 2009.

4C Controls management will present its High Resolution Earth Observation Satellite program with a special demonstration of defense and surveillance applications to regional and global key VIP's, prospective customers and partners in the defense industry who are regular visitors to the IDEX event.

The IDEX Trade Show is organized under the patronage of HH Sheik Khalifa Bin Zayed Al Nahyan, President of the UAE and Supreme Commander of the UAE Armed Forces. IDEX 2009 is officially supported by the UAE Government and coordinated with the active assistance of the UAE Armed Forces.

Mr. Jean-Robert Martin, Chairman of the Board of 4C Controls, said "IDEX 2009 is the perfect platform for 4C Controls to showcase and demonstrate its solutions and capabilities to our target customers and partners within the GCC (Gulf Cooperation Council) and broader MENA (Middle East North Africa) regions. IDEX will feature over 900 local and international companies and has gained an excellent reputation as one of the foremost venues for defense related business."

Senior executives from 4C Controls' operating units will be in attendance to provide detailed briefings of the extensive planned portfolio of Defense and Security solutions. In addition, 4C Controls will be joining with its key prospective prime-contractor partner, Thales Alenia Space (Italy) as well as 4C Controls' strategic alliance and distribution partner e-GEOS, a Telespazio and ASI company, to present the 4C GulfSAR Satellites and 4C SatImage capabilities.

4C Controls' Group CEO, Anastasios Angeloglou said "A significant amount of hard work has gone into developing and acquiring the solutions and capabilities of the 4C Group. In a very short time 4C has achieved many of its business plan milestones. We are looking forward to
